

Skills

- SQL (SQL Server, MySQL)
- Python ([PCEP Certified](#))
- Microsoft Report Builder
- Excel
- Tableau
- HTML/CSS

Projects

RISE OF THE THREE TRUE OUTCOMES – Personal Project

March 2024

- Used **Python** to analyze offensive stats throughout the history of Major League Baseball
- Looked at trends and correlations relating to the rise of stats known as the three true outcomes(homeruns, walks, strikeouts)
- Made use of **pandas** to find correlations and used **plotly** to visualize and see trends

TRACKING E-COMMERCE SALES – Personal Project

April 2024

- Analyzed the sales over a year of a UK based online retailer ([dataset](#)) using **Python**
- Provided data on top products, distribution of countries, sales by month and day, and repurchases
- Used **pandas** to calculate and **plotly** to visualize the data
- Included a **SQL** query with a **PARTITION BY** clause in a **window function** to determine which transactions where repurchases

2023 MLB SEASON VISUALIZED – Personal Project

May 2024

- Used **SQL** to query tables containing data and offensive stats for the 2023 MLB season
- Created charts in **Tableau** to visualize these queries in various ways

SSRS REPORTS – CLIENT PROJECT

Februray 2024

- Utilized **SQL** to query data from different tables within case management software using **JOINS**
- Used **CTEs** to recreate searches within the software, using **JOIN** and **WHERE**
- Visualized the data in **Microsoft Report Builder** using different charts and tables

Work Experience

SQL REPORT WRITER – Marshall & Marshall, PLLC – Jericho, NY

February 2024-Present

- Used **SQL** to re-create a search in **Time Matters**, and query through the results
- Created charts and tables with the data in **Microsoft Report Builder**

CONTRACTOR'S ASSISTANT – Salvatto Sound – New York, NY

May 2015 - December 2023

- Assist in the construction of recording studios and turning existing rooms into studios with minimal construction
- Running and terminating various types and lengths of cables
- Assembling portable sound isolation booths in both private residences and corporate buildings
- Coordinated with clients on the delivery/removal of materials
